

NRCS Projects #08 and #18

3rd Quote opening meeting – December 6, 2011

Attendance: Selectman Douglas Garland and NRCS Engineers, Jeff Tenley and Ed Hansalik

Selectman Garland opened the quotes for the DSR# 18 (East Branch) and for DSR#8 (Rocky Branch) rivers at 03:35 PM.

The quotes were as follows:

DSR #18 East Branch River

A. R. Couture Construction Corp.	\$63,600
R. M Piper, Inc.	\$68,900
Caulder Construction, LLC	\$83,500
Gordon T. Burke & Son, Inc.	\$59,000
Drew Corp.	\$88,200
Ben Northcott	\$59,000

DSR #8 Rocky Branch River

A. R. Couture Construction Corp.	\$89,460
R. M. Piper, Inc.	\$99,800
Caulder Construction, LLC	\$98,000
Gordon T. Burke & Son, Inc.	\$78,000
Drew Corp.	\$120,260
Fadden Chipping & Logging, Inc.	\$96,500

Selectman Garland inquired from G. Burke if he would want both projects since he had tied in his quote on the East Branch and was low quote on the Rocky Branch. Burke checked with his brother and they decided that they would give up the East Branch and just do the Rocky Branch if they were awarded the project.

Selectman Garland placed calls to the other Selectmen and it was agreed to give DSR #18 to Ben Northcott and DSR #8 to Gordon T. Burke & Son, Inc.

Either e-mails or telephone calls were placed by Selectman Garland or Brenda Medeiros, Sec. to the other contractors letting them know the results.

Respectfully submitted,

Brenda Medeiros, Sec.
